19:50-21:00	Welcome Cocktail animated by Nicolas Syros with his musicians Greek contemporary music		

Sunday October 7th			
	AUDITORIUM 1 ATHÉNA	AUDITORIUM 2 HERMÈS	AUDITORIUM 3 RHODES
	Plenary Sessions		
08:30-09:10	Mechanisms of variability in antiplatelet agents response		
09:10-09:45	New antiplatelet agents: the end of resistance ?		
10:00-11:00	Oral Communications		
11:00-11:30	Coffee Break		
	Scientific Symposia		
11:30-12:40	Thrombosis after surgical procedures	Thrombosis and cancer: prevention and treatment	Unusual thrombosis sites
	Satellite Symposia		
12:45-14:15		Changing landscape in anticoagulation – new perspectives and treatment strategies (12:45-13:45) 	New Anticoagulants 
14:15-14:45	Break		
	Plenary Sessions		
14:50-15:30	New oral anticoagulant treatments in deep vein thrombosis		
15:30-16:15	New insights in atrial fibrillation		
16:20-17:50		Hot Topic Session 1	

Monday October 8th			
	AUDITORIUM 1 ATHÉNA	AUDITORIUM 2 HERMÈS	AUDITORIUM 3 RHODES
	Scientific Symposia		
08:30-09:45	Women's health	Thrombosis in patients with hemorrhagic disorder	Microparticules
10:00-11:00	Oral Communications		
11:00-11:30	Coffee Break		
	Plenary Sessions		
11:30-12:10	Tissue factor and cancer		
12:10-12:40	New insights in atrial fibrillation		
13:45-14:30	Lunch Break		
14:30-15:30		Hot Topic Session 2	
15:30-17:00	Oral Communications		
	Plenary Sessions		
17:00-17:40	New insights into the contact activation system		
17:40-18:20	Angiogenesis		
	GALA DINNER		

Tuesday October 9th			
	AUDITORIUM 1 ATHÉNA	AUDITORIUM 2 HERMÈS	AUDITORIUM 3 RHODES
	Scientific Symposia		
08:30-09:45	Antiphospholipid antibodies	Drug-induced thrombosis	Antithrombotic agents and invasive procedures
10:00-11:15	Oral Communications		
11:15-11:45	Coffee Break		
	Plenary Sessions		
11:45-12:20	What did we learn from new oral anticoagulant treatment?		
12:20-13:00	Endothelial progenitor cells and therapeutic angiogenesis		
14:00-15:30	Oral Communications		

## ROOM GALLIENI 5

Sunday October 7th	
13:00-14:30	Councillors and Foundation Meeting
Monday October 8th	
12:45-13:45	General Assembly

## POSTER SESSION

17:50-18:30	Sunday October 7th
12:45-13:45	Monday October 8th
13:00-14:00	Tuesday October 9th
